Subject: PRIORITY - EPA and federal co-defendant suits by enviros

Hi, folks - In connection with a pending congressional request, we need to identify any lawsuits (1) where EPA and another federal agency are co-defendants, (2) in which an "environmental group" is a plaintiff or petitioner and (3) that have been active at any time in the past 3 years.

Please let me know of any suits within your office fitting such a description ASAP but no later than COB Tuesday, April 24.

Thank you.

Joel
